COMMONWEALTH OF KENTUCKY BEFORE THE PUBLIC SERVICE COMMISSION

* * * * *

In the Matter of:

PURCHASED WATER ADJUSTMENT OF)
GRAYSON COUNTY WATER DISTRICT)

CASE NO. 8395

ORDER

On November 25, 1981, Grayson County Water District ("Grayson County") filed its application with the Public Service Commission seeking approval of a purchased water adjustment clause and authority to adjust its rates for service in accordance with that clause. On September 2, 1981, Grayson County's supplier, City of Leitchfield ("City"), notified Grayson County of an increase in the wholesale cost of water from \$.53 to \$1.2198 per 1,000 gallons. Grayson County employed GRW Engineers, Inc., to study the City's records regarding the cost of supplying water and to make calculations in accordance with a 1978 water purchase agreement. The rate arrived at through this study is \$.6876 per 1,000 gallons.

The Commission, having reviewed the evidence of record and being advised, is of the opinion and finds that:

- (1) The purchased water adjustment clause sought by Grayson County is in compliance with 807 KAR 5:067, Purchased Water Adjustment Clause, is in the best interest of the public and Grayson County, and should be approved.
- (2) The City increased the wholesale cost of water to \$1.2198 per 1,000 gallons effective October 1, 1981 (Exhibit No.
- 2c). Grayson County disagrees with this rate because of differences

in the methods of calculation and has requested to pass on to its customers only \$.6876 per 1,000 gallons at this time (Letter of Application).

- (3) The financial exhibits filed by Grayson County indicate that it cannot absorb the increased cost of the wholesale water.
- (4) The calculation for the purchased water adjustment made by Grayson County in the amount of \$.19 per 1,000 gallons is correct and should be approved.
- (5) The base rate for purchased water for the future application of the purchased water adjustment clause should be:

Supplier

Rate

City of Leitchfield

\$.6876 per 1,000 gallons

(6) The rates in Appendix A attached hereto are fair, just and reasonable and should be approved.

IT IS THEREFORE ORDERED that the purchased water adjustment clause filed by Grayson County is hereby approved effective on and after the date of this Order.

IT IS FURTHER ORDERED that the purchased water adjustment sought by Grayson County and the rates in Appendix A attached hereto be and the same are hereby approved effective with water supplied on and after the date of this Order.

IT IS FURTHER ORDERED that for the purpose of future application of the purchased water adjustment clause of Grayson County, the base rate for purchased water shall be:

Supplier

Rate

City of Leitchfield

\$.6876 per 1,000 gallons

IT IS FURTHER ORDERED that within 30 days after the date of this Order, Grayson County shall file with the Commission its revised tariff sheets setting out the rates and the purchased water adjustment clause approved herein.

Done at Frankfort, Kentucky, this 4th day of January, 1982.
